Championship / Premiership / Companionship Claim Form

Requests for Championship / Premiership / Companionship confirmation should be submitted on this Official 'Claim Form' or facsimile. It must be mailed to the Central Registry before the opening day of the next show in which the cat is entered, **OR** you may give the form to the Master Clerk at the end of the Show. Owners may transfer their cat to Champion / Premier or Companion with the Master Clerk at the beginning of the next Show without receiving confirmation, but in so doing, fully acknowledge and understand without reservation that NO GRAND POINTS will be allocated from wins at subsequent shows until confirmation of Championship / Premiership / Companionship has been verified by the Central Registry. **The current fee for Claims is \$5.00**

CERTIFICATES will be issued to confirm wins, after verification, upon receipt of the Claim Form and appropriate fee.

NOTE: Cats registered with *another Cat Registry* may enter CATZ Inc.shows without being registered with CATZ Inc, BUT, may only claim wins at these shows, or have points count toward CATZ Inc. titles if registered with CATZ Inc, **within 21 days of the show** in respect of which the wins were made. This includes points gained toward National Wins.

Owners of cats registered with another registry should attach a Registration Application to this form, along with a copy of their cats Certificate of Registration and a copy 4 generation pedigree (not including cat). Imported cats shall require a CERTIFIED PEDIGREE.
