

New Catz' Web Site - just brilliant!

Thanks to Gordon Lewis, our Web Master, we have one of the best interactive sites around the cat world. Breed Profiles and Standards are still being drawn up, so if your breed is not there yet, it won't be long. so, don't forget to update your cache every time you log on.

Apart from reading all about Catz, our policies, benefits and Constitution, there are pages on Breed Categories, showing Household Pets, Judges and Clerking Manuals, News and more. Forms are available to apply for Membership, Prefixes, Special Offers and Registrations for cats and kittens, and soon for entering our Cat Shows.

**Pay by Credit card
On line or anywhere!**

Recently introduced technology has enabled Catz to offer on-line payment by Visa or Mastercard for any of our services!

It costs us a little more to offer this option but we are dedicated to excellence in every area and we know that Cat Lovers will appreciate the ease with which they can fly through their registrations and show entries.

Credit cards are also accepted via email and snail mail.

It's So Easy!
